

CONTRIBUTE TO SCHOOL SUCCESS

[THE OPPORTUNITY]

Business Volunteers Maryland's **A+ Advisory Boards** are groups of 5 to 7 volunteers who lend their talents, skills, and connections to support one Baltimore City school principal and their school community. A+ Advisory Board Members serve in three ways as:

- ▶ **Ambassadors:** By advocating for the school and leveraging networks
- ▶ **Advisors:** By offering professional skills and acting as a 'think tank'
- ▶ **Action Teams:** By fundraising and providing hands-on support

Serving as an Advisory Board member is a unique opportunity to directly contribute to schools and their leadership. We currently have 120+ volunteers serving as A+ Advisory Board members in 23 schools across the city. **We are now seeking volunteers to join one of our Advisory Boards for the 2018-2019 school year.**

[THE COMMITMENT]

We are currently recruiting mid-to-late career professionals who are able to:

- u Make a one-year commitment, from June 2018 through June 2019.
- u Regularly attend advisory board meetings. Meeting frequency is set by each school team, from 1x month to 4x a year.
- u Actively contribute and engage their time, network and resources.
- u Commit to ongoing communication with your board
